

EPNOE JUNIOR AWARD NOMINATION FORM

Call for Nominations EPNOE Young Scientist Awards. EPNOE Association is inviting nominations for the EPNOE Young Scientist Award in the field of polysaccharide science and technology. The prize will be given to outstanding work of doctoral students and scientists with up to seven years of experience since completion of their doctoral studies. This award is international, and all young scientists conducting research in the polysaccharides field are eligible.

The deadline to nominate is December 31st, 2020. The process of nomination is strictly confidential and can only be done by EPNOE members. Self-nomination is discouraged. The winner will be announced during the EPNOE Junior Conference in February 2021.

Instructions:

1. Attach extra sheets with additional information as required.
2. This nomination requires one nominator.
3. The total number of pages including the nomination form and additional information (excluding the support letters and list of publications) shall not exceed 6 pages.
4. Please save the nomination form with additional materials in one PDF file.
5. Email the PDF file to EPNOE before the nomination deadline.

Nominee
